Regarding Prior Criminal History and Disciplinary Actions

The Florida Board of Massage Therapy receives numerous questions from applicants regarding prior criminal offenses. The following are the most frequently asked questions:

**Question:** How long will it take to process my application?

**Answer:** Our goal is to process non-problematic applications within 21 days of our office receiving the application. However, because you have a criminal history it may take a bit longer to review your application. We will mail a letter to you within 30 days of us receiving your application.

**Question:** What crimes or license discipline must be reported on the application?

**Answer:** All convictions, adjudication withholds, guilty pleas and nolo contendere pleas must be reported, except for minor traffic violations not related to the use of drugs or alcohol. This includes all misdemeanors and felonies, “driving while intoxicated (DWI)” and “driving under the influence (DUI).” Crimes must be reported even if they are a suspended sentence. All prior or current disciplinary action against another professional license must be reported, whether it occurred in Florida or in another state or territory.

**Question:** Can a person obtain a license if they have a misdemeanor or felony crime on their record?

**Answer:** Each application is evaluated on a case-by-case basis. The Board of Massage therapy considers the nature, severity, and recency of offenses, rehabilitation and other factors. The Board cannot make a determination for approval or denial of licensure without evaluating the entire application and supporting documentation.

**Question:** Do I have to report charges if I completed a period of probation and the charges were closed?

**Answer:** Yes. Offenses must be reported to the Board even if you received a suspended sentence and the record is now considered closed.

**Question:** Do I have to report charges if I completed a period of probation and the charges were dismissed?

**Answer:** No, if the charges were dismissed, nolle prossed, or dropped the offense does not have to be reported. Adjudication withheld is considered the same as a conviction for the purposes of licensure.

Applicants with previous arrest or disciplinary action on a license will not be authorized to practice massage therapy until all documentation is cleared by staff or reviewed by the Board.
